freight &  
salvage**

Open to All  
Aug 5 to Oct 31  
515 Balboa St.

## **THE THEME**

Altering found and collected objects. This is not a dump, so here are some rules of engagement: if you bring us an object, you must a) alter it in the arterrarium so that it can be added to the show or b) enter into a drycleaning type agreement to pick up and pay for the object upon artistic alteration (not repair).

## **PARTICIPANTS NEEDED**

Come alter objects in the arterrarium. All skills and semi-skills welcome: sculpture, doodling, writing, music, dance, performance, lectures, you name it - we welcome it.

## **COME ON DOWN**

Stop by anytime during mart hours or email us at [frankenart@gmail.com](mailto:frankenart@gmail.com). Free and open to all! The show grows as more people participate, collaborate, play, create and exchange.

## **BRING US YOUR TIRED**

If you have an item that needs artistic attention, bring it on down. You'll receive a Freight & Salvage ticket. When we finish altering your object, we'll call you to come pick it up. Objects are sold by weight, size, and/ or time.
